

Complete Price List — 2026

Typical prices for standard jobs. Your exact price is confirmed up front — before any work starts — and it doesn't change.

Free on-site estimate — we walk your site and put the number in writing before any dirt moves.

\$250 mobilization fee — waived when you book the job; you never pay just to get the machine there.

811 locates handled for you — every public utility marked and verified before the bucket touches ground.

SITE VISITS & ASSESSMENTS

On-site estimate & site walk	Free
Site & drainage assessment (written report)	\$149
Equipment mobilization, per trip	from \$250
Same-day emergency call-out	from \$450

SITE PREPARATION & GRADING

Rough grading, residential lot	from \$1,500
Finish grading	\$0.50–\$2 per sq ft
Lot leveling & compaction	from \$1,200
Drainage swale or berm shaping	from \$850
Gravel driveway grading	from \$450

FOUNDATION EXCAVATION

Footing excavation (single footing or pad)	from \$1,400
Garage or slab pad prep	from \$2,800
Crawl space excavation	from \$6,500
Full basement dig-out	from \$12,000
Backfill & compaction	from \$1,100

TRENCHING & UTILITY LINES

Utility trench, standard depth	\$10–\$25 per ft
Water or sewer line trench (up to 100 ft)	from \$1,200
Electrical conduit trench	from \$800
Directional boring (no-dig crossing)	from \$3,500

LAND CLEARING & DEMOLITION

Brush & light clearing	from \$1,500 per acre
Wooded lot clearing	\$3,000–\$6,000 per acre
Stump removal	\$150–\$400 each
Shed or garage demolition	from \$2,200
House demolition	from \$12,000
Debris hauling & disposal	from \$600

What moves the price: soil conditions, machine access and haul distance matter more than square footage. Rocky or wet ground, tight gates and long debris runs raise costs — we confirm your exact number after a free site walk, in writing, before work starts.
